Gentlemen:

Have recently sent some correspondence to you; and you know my friend, Mr. George Teixeira.

Will be in California in a few weeks...and will train some people; very specialized training. The enclosed forms explain it. It is possible that some of your personnel might want the training.

If so...have ~~them~~ them send their \$250 each (to cover the training, each) to Ted Owens, PK Man, c/o Lori Rodriguez (my daughter) at 2261 Miner St., #B, Costa Mesa, California, 92626...by no later than April 19.

I will then drive up...and train any of your personnel who have signed up. The solid commitment in advance is necessary, for obvious reasons.

Sincerely,

Ted Owens
