Drs. Targ and Puhoff:

(or 3 or 4)

I need a thousand or two dollars within days...or I'll most likely be put out of action entirely. Could you arrange a loan at 10% interest, payable within a year? I know this is not within your activity or frame of reference...but I think that I am very valuable to science...and worth salvaging. Have just returned from Egypt...discovered the key to the pyramids, and how to use the key...~~(talking about psi-force and parapsychological ~~WXXX~~ usage there.)~~ Had a nice visit with Dr. Ali, at Sakara. On the way back, on the plane...showed the stewardesses a Saga magazine showing my face and a plane being struck by lightning in the sky. On the page it said "Tornado Winds Rip Area." (See enclosed) What happened? The plane ahead of ours was struck by lightning at Kennedy Airport...and there were tornado winds ripping the area (wind shear...just like). I can't do the tapes and the voluminous typed report...until I get out of this emergency status. And if I do not get out of it, gentlemen...you will have lost a valuable, eccentric contact in the psi-force/UFO field. Best to you....

Ted Owens
